

Check-In Notice for Residential Students of New Asia College, 2021/2022

The room allocations of residential students have been released by the College. To facilitate the implementation of public health safety measures within the student hostels, the College has designated specific hostel building/floor to house those unvaccinated residents. Please take note of the following check-in arrangements for residents of the College in 2021/2022:

A. Check-in Dates

Residents may move into their respective hostels on the following dates:

5 September (Sunday) from 9:00am (for current students)

12 September (Sunday) from 9:00am (for new students)

B. Check-in Procedures

1. Residents **MUST** complete the online “Undertakings” from 24 August 2021, and submit the form before the designated deadline (31 August for current students; 10 September for new students). The link of the online form has been released to students together with the room allocation notice. **For students who fail to submit the undertakings before the deadline, their hostel places will be forfeited.**
2. Upon admission to the assigned hostels, residents are required to check their body temperature, complete and sign the “Health Declaration Form”, present their CU Link cards (or HKID cards) for verification.
3. Students who have fully vaccinated 14 days before the check-in day **MUST** bring along their original vaccine records as proof for check-in.
4. For residents who have NOT been fully vaccinated, they are required to submit the COVID-19 PCR test report with negative result (within 96 hours), either from the government community testing centres or testing institutions recognized by government (www.coronavirus.gov.hk/pdf/List_of_recognised_laboratories_RTPCR.pdf) to the information counter of the assigned hostels for check-in.

Those who arrived from overseas and have completed the government-mandated quarantine requirement can provide the latest test result provided that it is released within 96 hours.

*(*Remarks: more information on the detailed check-in arrangements of respective hostels will be announced by Wardens in due course.)*

C. COVID-19 Serial Test

Residents who stay in the unvaccinated hostel building/floor are required to take rapid antigen regular self-tests at a designated place in hostel on a bi-weekly basis at his/her own cost of HK\$60 per test throughout the year 2021/22. Details on the arrangements of the serial test will be announced by the College later.

D. End of Hostel Residence
