

香港中文大學新亞書院教職員聯誼會

中國繪畫工作坊

本課程涵蓋山水、花鳥，以至人物等題材。通過中國繪畫獨有的筆墨技法：勾、皴、擦、染、點，表達物像的客觀質感之餘，還試圖突顯其神韻意涵，從而引發參與者對中國藝術文化的興趣、提升其審美能力。參與者將於工作坊進行期間嘗試完成多件不同題材的繪畫作品，讓參與者對中國繪畫，尤其是文人畫這一主流畫系有更深入的認識。

Chinese Painting Workshop

In this Workshop, participants will be given the opportunity to study different genres of Chinese paintings, including landscape painting, flower and bird painting and figure painting. Using unique Chinese brush work (i.e. outlining, wrinkle stroke (cun fa), rubbing, washing and dotting), painters can depict the appearance of nature, and more importantly illustrate their aesthetic judgment. Through demonstration, masterpiece appreciation and regular practice, participants can acquire knowledge on Chinese paintings, literati painting in particular. It is expected that the Workshop can help enhance participants' knowledge on Chinese arts as well as Chinese culture.
